RIGHT FROM THE START**  
SYMRISE FLAVOURS

## TH. GEYER INGREDIENTS

### MANY YEARS OF EXPERTISE AND CERTIFIED QUALITY

Th. Geyer Ingredients offers companies of all sizes from the Food & Beverage and Scent & Care industries a comprehensive portfolio of flavours, colourants, tobacco and functional ingredients from globally successful brands. More than 45 years of experience, certified quality and personal service such as refilling into small containers make us a partner whose service goes way beyond simple distribution.

Our attractive portfolio satisfies every need and offers you a rich, diverse selection of innovative products of the highest quality. We provide you with successful products from global players - quickly, flexibly and of course in small quantities too, should you need them.

- Premium Flavour Selection (PFS) – an exclusive choice of versatile flavours that we can also offer you in smaller quantities

## EXPERIENCE THE RICHNESS OF... ...SYMRISE BABY FOOD

### Specially developed for children from 12 - 36 months

Our children are our most valuable resource in the world, and therefore we wish to nourish them only with the *best tasting*, the *safest* and the *healthiest* food available on the market.

Symrise aims to answer this desire by expanding their already outstanding line of high quality flavours and add a special line of Baby Food Flavours. These Baby Food Flavours are specially developed for children from 12 to 36 months. They are extremely well tested, exceptionally stable and developed based on the superior 'Baby Food Raw Material Portfolio'. They cover the most important Baby Food Flavour tonalities.

We invite you to try for yourself and experience the richness of *honey, milk, apple, chocolate, mango, peach* and *banana*!

### OUR PRODUCTS

#### Taste profiles

- Banana
- Honey
- Milk
- Apple
- Chocolate
- Peach
- Strawberry
- Mango

#### Formats

- Dry flavours
- Liquid flavours

### YOUR BENEFITS

#### Symrise Baby Food Flavours...
