

ELUENT ADDITIVES FOR CHROMATOGRAPHY

Eluent additives are added in liquid chromatography, especially LC-MS, to improve the signal quality or to suppress undesired signals and selectively amplify certain signals. CHEMSOLUTE® offers additives that have been specially designed for this purpose. These eluent additives are characterised by low values for the typical inorganic and organic impurities.

Description	GHS	Art. no.
Ammonium acetate UHPLC-MS grade (min. 99.0 %)		2624
Ammonium formate UHPLC-MS grade (min. 99.0 %) ¹⁾		2625
Acetic acid (glacial) UHPLC-MS grade (min. 99.95 %) ²⁾		5450
Formic acid UHPLC-MS grade (min. 99.0 %) ³⁾		2648

¹⁾ Warning H314 H335 H400

²⁾ Danger H300+H310+H330 H314

³⁾ Danger H272 H290 H331 H314

Th. Geyer – We know Lab

As a family business, we have been there for our customers for more than 130 years to support them in their demanding tasks in analytics, research and science.

Laboratories in industry, clinics, universities and colleges as well as private and public research institutions rely on our experience and ISO-certified quality when purchasing their laboratory supplies: from personal support to fast, secure delivery and important services, we reliably cover everything needed for complete laboratory equipment as a partner.

Th. Geyer Brands

Our Th. Geyer brand trio BIOSOLUTE®, LABSOLUTE® and CHEMSOLUTE® offers you attractive alternatives when it comes to life science products, consumables and laboratory chemicals.

CHEMSOLUTE®

The perfect selection of chemicals for your demanding laboratory tasks: First-class laboratory chemicals, reagents and solutions – the perfect solution for your laboratory.

Laboratory chemicals from A-Z, measuring solutions, indicator solutions, chromatography reagents and much more. You can order all of these conveniently in our **webshop**.

DO YOU ALREADY KNOW ... ?

... our range for liquid chromatography?
Whether HPLC, LC-MS or UHPLC-MS, CHEMSOLUTE® offers you the optimal solvent for every application.

LABSOLUTE® supplies the appropriate vials & caps as well as other consumables for your sample preparation.

You can find this and other articles in our webshop at www.thgeyer.com
